Lance Nixon is the EO and he's conducting the PRP search. There are a couple of 104(e) that have been issued recently and a FOIA response that's in the works. See Lance's Weekly below.

Status: 104(e) for Conoco Phillips (Continental Oil) mailed, response expected June 28, 2013. 104(e) for Chevron (Texaco) mailed. Response expected June 24, 2013

Wilcox Oil: 6/13/13 FOIA 006938 Reviewed meta data for responsive information

Wilcox was proposed recently to the NPL.

I was assigned to work as the RPM with Brian Muller (also of my Section).

I understand there are PRPs.

Do you have someone assigned to work in this site?

Please let me know and I will coordinate with him.
